

Help build Future discoveries today

Maine Discovery Museum is a 501(c)3 nonprofit organization and like virtually every other non-profit in Maine, we do not receive any city or state support to operate. **Admissions and programs fees cover only 53% of our expenses;** we rely on donations for the rest, doing all we can to keep our programs financially accessible.

Our programs

At Maine Discovery Museum, we help people of all ages to discover the world around them through creative exploration and science. We cultivate curiosity through interactive and educational programs for people of all ages.

Our programs include:

Annual Membership Options & Perks

Reciprocal Membership \$225

Become a Reciprocal level member at MDM and unlock a world of benefits: free general admission at 350+ ASTC venues & 50% off general admission at 200 ACM venues. Dive into science and tech centers without needing children to enjoy these perks - explore, discover, and join the MDM Reciprocal family today! Note: Exclusions apply, and benefits vary.

Household Membership \$175

Unlimited visits for two adults and all children ages 18 and under living in the same household for one year.

You and Me Membership \$100

Unlimited visits for one adult and one child ages 18 and under living in the same household for one year.

Guest Option Add-on

Add up to TWO (unnamed) guests to any membership for an additional \$45 per year.

Give the Gift of Science And Cultivate Curiosity!

Giving a gift membership is a great way to support the Museum while also sharing your love of science and play with someone who matters to you. It's also a fantastic way to celebrate a birthday, holiday, or just say thank you. All memberships include one year of free admission; discounts on store purchases, special programs, and camps; and early access to events.
