What type of volunteering are you interested in? (Circle/highlight all that apply)

Discovery Guides: Run MDM's exhibits. These volunteers are trained to run Museum exhibits such as the Paper Factory, Sound Studio, and Tinker Space. You can also be trained to run activities in our Library and Dino Dig as well as our science kits.

Special Program Facilitators: Do you have free time to volunteer on the weekends? If so we would love your help running our afternoon science and art activities! These volunteers get to lead programs with support from MDM staff. Most of the volunteer opportunities in this position are on the weekends, with occasional opportunities to assist with after hours programs such as My Day to Play, overnights, Parents Night Out, and more.

Program Teachers: Volunteers with a skill or special interest that could be offered as a program. Examples that have been done before include: after school Spanish club, woodworking workshop, Japanese traditions activity, yoga for kids, Norwegian traditions activity, and medieval times presentations.

Birthday Party Helpers: We can get pretty busy on the weekends with our birthday parties! Birthday helpers work directly with the weekend manager to help parties run smoothly. Duties include greeting birthday party guests, carrying presents to the party room, helping clean up and set up in between parties, and assisting when birthday parties have add-on art activities. Birthday party volunteers get to party all day long!
