Beginning September 22, 2015...

**After School Discovery Club at Maine Discovery MUSEUM**  
*Too Much Fun!*

Looking for a fun and educational after school program for your child? MDM has just what you need! We now offer afterschool enrichment sessions for children ages 4-13!

The **After School Discovery Clubs** meet three days a week:

**Math Club** meets on Tuesdays and is full of activities like discovering patterns, measuring ingredients, and making music.

**Science Club** meets on Wednesdays. Each week, we investigate science themes like geology, electricity, life cycles, frozen science, and predator and prey animals through hands-on activities.

**Art Club** meets on Thursdays when we will create a different beautiful work of art each session.

Give your child an advantage in school by letting them explore science, math, technology, and engineering in a fun environment that will make them love learning!

Only \$5 per class, members are FREE! All clubs meet from 3:15-4:30pm.

Call (207) 262-7200 to sign up today!

## Membership Levels

- ❑ **Household: \$99**  
Includes two named adults and all minor children living in the same household
- ❑ **You & Me: \$65**  
Includes one named adult and one named child regardless of household
